PROFESSIONAL EXPERIENCE

ONPOINT COMMUNITY CREDIT UNION | Portland, OR
Compliance Monitoring & Testing Analyst | *December 2025 – Present*

- Perform risk-based compliance monitoring and testing using transactional data, system records, and supporting documentation to identify potential regulatory exceptions, control weaknesses, and emerging risk trends.
- Design and execute testing methodologies, including population development, sampling strategies, testing criteria, data analysis, root-cause evaluation, and documentation of results.
- Analyze testing results to identify patterns, outliers, control gaps, and potential compliance concerns, translating findings into actionable information for Compliance leadership and business partners.

CONCORA CREDIT (FORMERLY GENESIS CREDIT) | Beaverton, OR
Compliance Business Analyst | *June 2022 – May 2025*

- Directed audits of adverse action letters and collaborated with IT, Risk, Compliance, and vendors to implement corrective actions; conducted root-cause analysis and supported sustainable remediation.
- Designed and executed test plans independently to validate underwriting logic and prevent production issues.
- Interpreted and operationalized underwriting updates by partnering with Risk to ensure alignment with business intent and accurate implementation.
- Developed and maintained business intelligence reports using SQL to analyze underwriting trends and monitor origination process quality.
- Partnered with stakeholders and external vendors to define and implement data integrations and system enhancements.
- Served as a primary escalation point for underwriting implementation, regulatory interpretation, and operational inquiries across departments.

CONCORA CREDIT (FORMERLY GENESIS CREDIT) | Beaverton, OR
Compliance Audit Program Manager | *September 2018 – June 2022*
Advanced from Compliance Audit Specialist to Senior Specialist and ultimately Program Manager.

- Led a compliance testing team and increased monthly cycle efficiency by 25% through automation, streamlined test plans, and resource optimization.
- Performed root-cause analysis on compliance exceptions and partnered with stakeholders to implement and track corrective actions.
- Developed and maintained test plans and conducted second-line defense reviews of business processes and internal controls.
- Prepared and presented in-depth compliance reports to executive leadership, facilitating closure of identified regulatory and operational gaps.
- Mentored junior compliance staff and strengthened team performance through process improvements and targeted training.

CONCORA CREDIT (FORMERLY GENESIS CREDIT) | Beaverton, OR
Senior Fraud & Disputes Representative | *January 2017 – September 2018*

- Conducted in-depth investigations into consumer disputes involving fraud, identity theft, and billing errors; compiled case evidence to support accurate and timely resolution.
- Partnered with the Risk team to develop custom reports and analytical tools that proactively detected large-scale fraud patterns.
- Analyzed disputed and unauthorized transaction activity and coordinated with merchants, customers, and internal teams to resolve claims.
- Executed account maintenance and adjustments in compliance with EFTA, FCRA, and company policy.
